

# The **FRESHEST** home for Dolls' House Miniature Food

... and all other Dolls' House Collectables

MyTinyWorld has a huge range of 1/12th scale miniature dolls' house products including furniture, food, electrical lights, glassware, ceramics, flowers and plants, kitchenware and many many other everyday dolls' house components.

The vast majority of our products are either hand crafted at our family run business in the UK, or made by master craftsman for us.

We take great pride in the prices and quality of our products and welcome any 'wish list' ideas from our many incredibly enthusiastic buyers from all over the world.
